

## **Memorandum of Understanding Concerning the Use of Buildings as Reception Centre/Shelter Facilities**

The purpose of this Memorandum of Understanding is to confirm the willingness of the Royal Canadian Legion to permit the use of its facilities as a Reception Centre or Shelter when required by the Rural Municipality of **Clyde River** during emergency situations.

It is therefore understood between the parties as follows:

- 1) The Royal Canadian Legion agrees to make its facility Kingston Legion Branch #30 available for use as a Reception Centre site or Shelter to the Rural Municipality of **Clyde River** during an emergency situation.
  
- 2) The Rural Municipality of **Clyde River** agrees that it shall exercise reasonable care in the conduct of its activities in this facility and further agrees to replace or reimburse the Kingston Legion for supplies used and unusual damage incurred in the operation of the facility as a Reception Centre site or Shelter.
  
- 3) In the event that either party no longer wished to subscribe to the roles and principles espoused by this memorandum of understanding, that party shall accordingly advise the other party in writing.
